

Tutor role description

About Fairview Education

Fairview Education provides a Free Tuition Bursary programme to students in Y5 on the Free School Meal register to prepare them for the 11+ in Gloucestershire. The preparation for the 11+ involves tutoring in maths, English comprehension and SPaG (spelling, punctuation and grammar), verbal reasoning and non-verbal reasoning in line with the GL assessment.

Fairview Education also runs after school clubs for Y4 students on the Free School Register to boost their English and maths skills and to give them an introduction to what the 11+ entails so that they are better placed to consider if they want to apply for the Free Tuition Bursary.

The roles: Free Tuition Bursary and after school clubs

We are looking for tutors to support pupils in preparing for the 11+ in the **Free Tuition Bursary programme**. As a tutor, you will:

- Work with 2 pupils per tutoring session
- Be able to work for at least two hours a week, with both hours likely to be after school on the same day (e.g., 4.30-6.30pm on a weekday)
- Commit to up to 30 sessions over the course of the academic year
- Use the workbooks which Fairview Education provide you with

We are also looking for tutors to support pupils in the **Y4 after school clubs**. As a tutor you will:

- Work with up to 4 pupils per tutoring session
- Be able to work for at least an hour a week after school on a school day (e.g., 3.15-4.15 pm)
- Commit to up to 6 sessions over the course of a school term (Terms being 1, 2, 3, 4, 5, 6)
- Use the workbooks/resources which Fairview Education provide you with

Fairview Education will pay you hourly at a competitive rate. Please contact the charity to enquire about the current hourly tuition rates.

What qualifications or experience do I need?

We would like tutors who have:

- Teaching experience of some sort
- GCSE above C (grade 4) in maths and English
- Ideally a teaching qualification

If your qualifications do not match these requirements, we are still happy for you to apply. We take all previous experience into consideration, so please include anything you think might be relevant.

What support will I get?

- Training (a two-hour induction session)
- Support from the leadership team
- Tutor workbooks
- A competitive hourly rate of pay
- A free DBS check

Fairview Education is committed to safeguarding and it follows safer recruitment procedures for all tutors who apply.
